

RECITAL PICTURE DAYS IN STUDIO
JANUARY 13 and 14, 2023

Please arrive 15 minutes early and be ready to go in your costume with the proper shoes, tights and also hair and make-up done.

Individual pictures of the dancers in their class costumes will be taken during the group photo time. Please know that pictures are optional so if your dancer will not be participating, kindly notify the studio in advance; this greatly helps to facility our schedule, by not waiting for a dancer to arrive who is not coming.

A special message to dancers who performed in the June recital but did not have their costume in time for picture day. If you would like to have a picture taken in your June recital costume, please sign up for an individual time slot and pictures will be taken in that costume.

Dancers please wear regular street make up. For dancers in Pre-Ballet, Ballet, Tap and Jazz and any Ballet Level I class, you do not need make up. Only a little red lipstick and put it on at the studio. NO HAIRSPRAY ALLOWED AT THE STUDIO, IT IS HAZARDOUS! Ask me why! Also, dancers may wear small studded earrings, but no other jewelry unless it is part of the costume.

Pictures are viewed the same day and need to be purchased at the time of the order. The can be purchased as prints or a video link to share. Group pictures are selected by myself and will be added to dancer's packages if a group photo is selected: cash/check/credit cards and other payment options are available. Pictures arrive in about 2 weeks.

Please let me know if you have any questions and thank you kindly. These pictures are always special to me as I love to see the progression of your dancer from year to year!
